### QUESTION 1

What three things should you do once you have established a global default coverage?

- A. Createan ESS job to Monitor Service Request Milestones.
- B. Create an ESS job to Aggregate Service Requests.
- C. Use Application Composer to configure warning emails about milestone compliance events.
- D. Use Application Composer to include milestones on the Service Request Layout if desired.

Correct Answer: ABD

---

### QUESTION 2

You have been asked about some of the features of CTI notifications. Users want to be efficient in their time use, using alternate browser pages to carry out other activities when they are not receiving calls. However, the priority remains answering their client's calls, so they are forced to remain on the Engagement Cloud Page to avoid missing them.

Perform an analysis on the available features of Engagement Cloud and select the best viable answer to your customer's issue.

- A. Engagement Cloudsupports push notifications sent to mobile phones, so users can be aware via phone when a client is calling.
- B. A toast notification option is present, which consists of desktop notifications popping up regarding incoming calls, whether they are currentlyon the Engagement Cloud browser page or not.
- C. A floating toolbar notification center can be configured, that is present all the time in the agent's screen to inform him/her of incoming calls, whether they are currently on the Engagement Cloud browserpage or not.
- D. There is not current feature that may help users be aware of the presence of an incoming call if they are not currently in the Engagement Cloud browser page.

Correct Answer: C

---

What three things should you perform to show product images in the Product Picker component in Digital Customer Service (DCS)?

- A. Add images as the productimage will not be pulled from Engagement Cloud.
- B. Add the Product object to your DCS application.
- C. Add product ID(s) to the database component.
- D. Configure products groups and product items in Engagement Cloud.

Correct Answer: BCD

---

**QUESTION 4**

Which three statements are true about building Digital Customer Service (DCS) applications?

- A. Many DCS applications can be active in production at the same time.
- B. DCS includes a "reference implementation template" that illustrates recommended implementation practices.
- C. Only one version of a DCS application can be active in production at any time.
- D. DCS application can be embedded in other sites.

Correct Answer: BCD

---

**QUESTION 5**

Your customer has warned you that non-English speakers are going to get access to articles but all your articles are written in English.

Which option allows the customer to address the problem, so that all users can get articles in their native language?

- A. Modify the original base locales of the articles to match the target language.
- B. Deploy the Auto-Translate option on existing articles and turn on the "auto-Translate new articles" feature.
- C. Enable new locales for the languages to be used and provision designated users to translate the articles.
- D. Diagnose the usage of the articles to eliminate all nonused documents to avoid unnecessary translations.

Correct Answer: C
