QUESTION 2

What is the purpose of a cloud zone? (Choose the best answer.)

- A. A cloud zone is used to segregate resources for provisioning within a cloud account.
- B. A cloud zone is a method of connecting to a type of resource provider.
- C. A cloud zone is a simplified user interface for users who do not need full access to developing and building cloud templates.
- D. A cloud zone is used for organizing users and groups.

Correct Answer: A

QUESTION 3

An administrator successfully creates a new cloud template in Cloud Assembly for the DevOps project. The administrator is ready to publish the cloud template so that the DevOps team can use the catalog for self-service requests.

The administrator is trying to import the cloud template into Service Broker through the correct content source type. After creating the content source, the administrator cannot find the new cloud template listed in order to import it.

What might be the cause of this issue? (Choose the best answer.)

- A. The administrator did not create a version of the cloud template.
- B. The administrator did not test the cloud template provisioning logic.
- C. The administrator did not select the 'Release this version to the catalog' checkbox.

D. The administrator did not change the cloud template to a shared cloud template.

Correct Answer: D

QUESTION 4

An administrator is debugging a multi-machine cloud template deployment and the following error occurs: "Customization operation failed. Customization specification with name [vCenter_Windows] was not found."

Where can the administrator identify the phase of the provisioning lifecycle and the machine for which this error occurred? (Choose the best answer.)

- A. Deployments > History
- B. Deployments > Topology
- C. Cloud Assembly > Design
- D. Service Broker > Deployments

Correct Answer: A

QUESTION 5

Which command should an administrator run to collect a vRealize Automation log bundle? (Choose the best answer.)

- A. kubectl -n prelude logs
- B. kubectl get pods --all-namespaces
- C. vracli log-bundle
- D. vracli vrli

Correct Answer: C
