QUESTION 1

A Company is designing a new backup strategy. The current backup job takes 72 hours to complete a full backup of all data, causing a performance impact when the job runs into business hours. What should the company implement to reduce the businesses impact of the backup job? (Select two)

- A. load balancing
- B. additional backup media
- C. weekly full backups
- D. bandwidth limits
- E. nightly incremental backups

Correct Answer: CE

QUESTION 2

A customer is designing a backup solution in the following environment:

- VMware ESXi cluster
- HP P6000 storage system
-
- Shared tape library

The customer would like to perform backups to the shared tape library of the virtual machines running on the ESXi cluster.

Which additional component does the customer need to implement?

- A.
HP Virtual Copy
- B.
VMware Data Recovery
- C.
HP Data Protector
- D.
vStorage API

Correct Answer: C

QUESTION 3

A small business plans to use an HP Enterprise Backup Solution with an HP StoreSure 2000FC storage system and a shared tape library for backups. What will the hosts use to access the storage system and the tape library?

- A. converged network adapter (CNA)
- B. network interface controller (NIC)
- C. host bus adapter (HBA)
- D. Serial-attached SCSI (SAS)

Correct Answer: C

QUESTION 4

An enterprise is implementing an HP Converged Infrastructure strategy.

What implication will this strategy have on the enterprise's backup and restore processes?

- A. increased performance
- B. greater data protection
- C. lower risk
- D. simplified management

Correct Answer: D

QUESTION 5

A customer currently performs full backups to disk every week. They want less space to be used for each backup. Which strategy uses the least amount of space?

- A. incremental backups
- B. synthetic full backups
- C. virtual full backups
- D. differential backups

Correct Answer: A

An incremental backup provides a backup of files that have changed or are new since the last incremental backup or full backup <http://support.microsoft.com/kb/136621>
