QUESTION 1

Which one of the following formulas does Cheng use to change the value of the ReleaseDate field to today\\'s date?

A. ReleaseDate := @Today

B. SET ReleaseDate := @Today

C. FIELD ReleaseDate := @Today

D. @ChangeField(ReleaseDate;@Today)

Correct Answer: C

QUESTION 2

Anika has been told that users can not use the embedded view on a form because it is too wide. On Anika\\'s screen setting for 1920 resolution, the form uses only 25 percent of her screen. What can Anika do to allow users to use the full width of their screen, regardless of their resolution, while using an embedded view?

A. Anika can set the Form properties to use only 85 percent of the screen width.

B. Anika can set the Text properties of the form to 85 percent of the screen width.

C. Anika can set the Display options for the embedded view to "fit to window".

D. Anika can set the Display properties of the embedded view to use only 85 percent of the screen width.

Correct Answer: D

QUESTION 3

Donna created a full-text index for the PerformanceReview database, and she was careful to select the "Index encrypted fields" option. But the HR managers, who all have the secret key that they use to encrypt the data, have reported that their search results are not yielding the expected results. What is one possible reason for this?

A. The full-text index was created with an id that did not include an encryption key capable of decrypting fields before indexing.

B. The "Index encrypted fields" setting applies only to documents added after the full-text index is created or to documents edited and saved after the index is created.

C. The "Index encrypted fields" setting enables the indexing. The next step before creating the index is to designate the specific encrypted fields that are to be indexed.

D. Encrypted fields can be indexed only from a database replica residing on the administration server as specified on the Advanced tab of the database ACL. Donna had indexed the database on the application server.

Correct Answer: A

QUESTION 4

The graphic designer at Roshni\\'s company has developed a graphic theme to be applied to all of the company\\'s HR databases. Roshni has created a new image resource using the twistie.gif provided to her, but the categories in the views do not appear the way the graphic designer had described. What could be the problem?

A. Roshni was given a single 16x16 pixel image of the image that should display for a collapsed category. The image resource needs to be a 33x16 pixel image ?a 16x16 gif of the image for collapsed categories, followed by a one-pixel vertical spacer, and a 16x16 gif of the image for expanded categories.

B. Roshni received two 16x16 pixel images - one for expand and one for collapse - but she has not updated the Column properties. She now needs to designate a 16x16 resource image for the "Expand twistie" and a 16x16 resource image for the "Collapse twistie" options on the Column Properties box.

C. Roshni received two 16x16 pixel images - one for expand and one for collapse. But she imported the image resources as "open.gif" and "close.gif". The images must be named "expand.gif and "collapse.gif".

D. Roshni received a single 33x16 pixel image, containing a 16x16 gif of the image for collapsed categories, followed by a one-pixel vertical spacer, and a 16x16 gif of the image for expanded categories. She created the image resource, but she needs to select the "Animated gif" option.

Correct Answer: A

QUESTION 5

Jacob is working in Designer and is viewing a list of all the design elements in his application. What part of Designer is he looking at?

A. Editor

B. Outline View

C. Controls Palette

D. Application Navigator

Correct Answer: D
