**QUESTION 1**

You are a project manager. You are running a project by using the waterfall delivery method. The project is in the development phase. Which Microsoft Dynamics Sure Step Methodology supplemental documents are created to support the training?

- A. performance test documents
- B. data migration documents
- C. user test documents
- D. user guides

Correct Answer: D

QUESTION 2

You are a project manager. You use the classic triple constraint model. If one constraint is changed, what happens to the other constraints?

- A. The project's quality constraint will change.
- B. The project's expectations constraint will change.
- C. At least one of the other constraints must also change.
- D. The customer's benefits constraint will change.

Correct Answer: C

QUESTION 3

Which activity is a precondition for communication management?

- A. defining project roles
- B. identifying project stakeholders
- C. analyzing risk
- D. defining project scope

Correct Answer: B

QUESTION 4

You need to perform end-user training in the deployment phase.

What are two types of trainers you can use? (Each correct answer presents part of the solution. Choose two.)

- A. specialized
- B. deployment
- C. customer
- D. production

Correct Answer: AC

A: Some areas of the solution might need high-level specialized trainers.

C: This training can be conducted by customer key users, trainers, or consultants of the consulting implementation team, or by an external third-party vendor.

QUESTION 5

You decide that a customer should be using the agile project type. Which statement would cause you to make this decision?

- A. The customer requirements are not fully defined, and the customer needs flexibility to accommodate changing business priorities.
- B. The customer requirements are clearly defined, and the customer needs flexibility to accommodate changing business priorities.
- C. The customer requirements are not fully defined, and the customer does not have changing business priorities.
- D. The customer requirements are clearly defined, and the customer does not have changing business priorities.

Correct Answer: A
