- A. Video MCU
- B. Video Manager
- C. SIP Edge Server
- D. SIP Proxy/Registrar
- E. Conference Manager

Correct Answer: CD

QUESTION 3

Which aspect of an IBM WebSphere JVM is tuned similarly for both the IBM Sametime Advanced Server and Sametime Gateway Server?

- A. garbage collection
- B. increase LTPA timeout
- C. equal min/max heap size
- D. decrease thread pool size

Correct Answer: A

QUESTION 4

What type of report does the IBM Sametime Configuration Validator produce?

- A. Flags performance issues in the Sametime environment
- B. Shows the status of the Sametime environment overtime
- C. Shows inconsistencies in the configuration files in the Sametime environment
- D. Shows only known errors in the configuration files in the Sametime environment

Correct Answer: C

QUESTION 5

An IBM Sametime Gateway environment is configured as follows:

Machine 1: IBM WebSphere Deployment Manager and an IBM DB2 server

Machine 2: WebSphere SIP Proxy server

Machine 3: Sametime Gateway server

Machine 4: Sametime Gateway server An administrator has just received an SSL certificate from a certificate authority into the CellDefaultKeyStore on the WebSphere Deployment Manager.

What does the administrator need to do to enable SSL for the gateway environment?

- A. Only run a full synchronize on all the nodes and the certificate will be used by default as needed.
- B. Run a full synchronize on all the nodes and override the inherited values of the specific SSL configuration on the Inbound and Outbound endpoint configurations of both Sametime Gateway servers with the new certificate.
- C. Run a full synchronize on all the nodes and override the inherited values of the specific SSL configuration on the Inbound and Outbound endpoint configurations of only the WebSphere SIP Proxy server with the new certificate.
- D. Run a full synchronize on the Deployment Manager node and override the inherited values of the specific SSL configuration on the Inbound and Outbound endpoint configurations of the Deployment Manager with the new certificate.

Correct Answer: C
