QUESTION 5

SCENARIO

Please use the following to answer the next question:

Jane Stan's her new role as a Data Protection Officer (DPO) at a Malta-based company that allows anyone to buy and sell cryptocurrencies via its online platform. The company stores and processes the personal data of its customers in a dedicated data center located in Malta (EU).

People wishing to trade cryptocurrencies are required to open an online account on the platform. They then must successfully pass a KYC due diligence procedure aimed at preventing money laundering and ensuring compliance with applicable financial regulations.

The non-European customers are also required to waive all their GDPR rights by reading a disclaimer written in bold and belong a checkbox on a separate page in order to get their account approved on the platform.

The customers must likewise accept the terms of service of the platform. The terms of service also include a privacy policy section, saying, among other things, that if a
