QUESTION 1

HOTSPOT

You need to design the integration solution for stores that are not yet using Dynamics 365 Commerce.

Which components should you use? To answer, select the appropriate options in the answer area.

NOTE: Each correct selection is worth one point.

Hot Area:

Requirement	Component
Import transaction records from the legacy system.	▼
	Sales orders
	Retail transactions
	Retail statements
Check for issues.	▼
	Sales order confirmation
	Validate store transactions
	Data validation checklist
	Calculate statement in batch
Correct the issues.	▼
	Data management workspace
	Microsoft Excel add-in
	Store Financials workspace
	Sales order details

Correct Answer:

Requirement

Component

Import transaction records from the legacy system.

	▼
Sales orders	
Retail transactions	
Retail statements	

Check for issues.

	▼
Sales order confirmation	
Validate store transactions	
Data validation checklist	
Calculate statement in batch	

Correct the issues.

	▼
Data management workspace	
Microsoft Excel add-in	
Store Financials workspace	
Sales order details

QUESTION 2

DRAG DROP

You are a Dynamics 365 Commerce consultant for a company.

The company has three retail channels: an online store, a retail store, and a call center.

The company requires customer orders to be available for pickup at its retail store. Sales orders for in-store pickup can be created in any retail channel.

You create a mode of delivery for customer pickups. You also create a fulfillment group.

Which retail channel should you select? To answer, drag the appropriate retail channels to the correct actions. Each retail channel may be used once, more than once, or not at all. You may need to drag the split bar between panes or

scroll to

view content.

NOTE: Each correct selection is worth one point.

Select and Place:

Retail channels

- Both retail store and online store
- Call center
- Online store only
- Retail store only

Answer Area

Action

- Assign the retail channel or channels to the mode of delivery.
- Assign the retail channel or channels to a line in the new fulfillment group.
- Assign the new fulfillment group to the retail channel or channels.

Retail channel

- Retail channel
- Retail channel
- Retail channel

Correct Answer:

Retail channels

- Call center

Answer Area

Action

- Assign the retail channel or channels to the mode of delivery.
- Assign the retail channel or channels to a line in the new fulfillment group.
- Assign the new fulfillment group to the retail channel or channels.

Retail channel

- Both retail store and online store
- Retail store only
- Online store only

QUESTION 3

Your role of Systems Administrator includes the management of your company's Microsoft Dynamics 365 Finance system.

Departmental managers need to be able to select different fiscal periods when configuring their budgets.

You need to configure the budgeting module to meet the requirements.

Which of the following should you configure?

- A. Budget cycles
- B. Budget groups
- C. Budget register entries
- D. Budget control

E. Budget codes

Correct Answer: A

QUESTION 4

A company uses Dynamics 365 Commerce to manage store operations. The store manager uses an analytical workspace in the headquarters app. The workspace has an embedded report that shows the total sales by register for each store

as a pie chart.

A store manager needs to display the data as a bar chart to visualize year-over-year changes.

You need to make the required changes.

What should you use?

- A. Power BI service
- B. Dynamics 365 Modern POS
- C. Lifecycle Services
- D. Dynamics 365 Commerce
- E. Power BI Desktop

Correct Answer: E
