QUESTION 2

Note: The question is included in a number of questions that depicts the identical set-up. However, every question has a distinctive result. Establish if the solution satisfies the requirements.

Your company plans to move their Server environment to the cloud.

You have been tasked with identifying a cloud model that allows for the current email environment to be upgraded, while also reducing server and application maintenance.

You need to make sure that the requirements are met.

Solution: You recommend the Platform as a service (PaaS) model.

Does the solution meet the goal?

A. Yes

B. No

Correct Answer: B
