QUESTION 1

Node A has taken over Node B. You solved the issue that caused the takeover and are now ready to resume normal operation.

After initiating the storage failover giveback command, how are the aggregates given back? (Choose the best answer.)

A. CFO aggregates are automatically given back, SFO aggregates must be manually given back.

B. CFO aggregates and SFO aggregates are automatically given back.

C. The root aggregate is automatically given back, CFO and SFO aggregates must be manually given back.

D. SFO aggregates are automatically given back, CFO aggregates must be manually given back.

Correct Answer: B
